

## Purchase Order Form Instructions:

Use the product information on this page to help fill out the order on the second page of this document. For checks and money orders, send your payment with this form. For purchase orders, fill out the form and email it and your signed purchase order to **orders@macinmind.com**. Be sure to provide a **working email address** so that your order may be fulfilled quickly. Your personalized registration code to unlock features for your license will be emailed to this address. If you do not receive a response from us in a day, please email [jay@macinmind.com](mailto:jay@macinmind.com) to ensure we received the order. Make checks payable to MacinMind Software.

There are no shipping charges for any MacinMind products because they are not physically shipped. Products are freely available for download at <http://macinmind.com> and all products can be evaluated before purchase. By purchasing a license you'll receive a registration name and number by email which will fully-enable the software. We highly suggest that you evaluate the software before purchase. We want you to be satisfied before you purchase so we provide support by email and phone before your purchase. Licenses are not refundable.
